

Supported Internship Programme

Are you aged between 16 and 24?

Do you have an EHCP?

Do you want to work?

Then our Supported Internship Programme might be right for you.

The course starts in September

You will start by doing 3 days a week in the classroom learning about work and how to be more independent.

We get to know you. You tell us what you like and what you are good at. If you are not sure we can help you to decide.

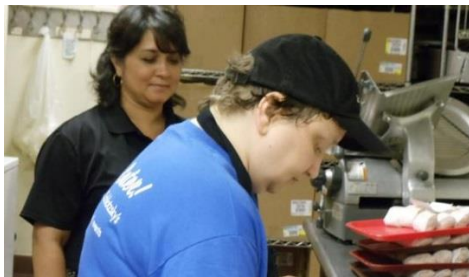

We find you a suitable work placement.

You will do 12 – 20 hours work per week during the course.

When you start your work placement you will continue to go to class one day per week.

You get 1 to 1 support from a Job Coach to learn your job and how to do it well.

If you do well, you could get a paid job at the end of the programme.

If you want to join please contact Carline Ikoroha
