

## **Hope Corner Prayer Group**

The Hope Corner Prayer Group re-started on 11<sup>th</sup> August 2022. Currently we have a regular attendance of between 7 to 9 attendees from various local churches. We take it in turns to lead the group each week, which is done on a rotational basis. Our sessions usually begin with a catch-up and items for prayer, followed by a short biblical reflection (which can include a musical item), and then followed with a time of prayer. There is no set order to the sessions; everyone leads differently as they are led by the Holy Spirit.

Our prayer focus ranges from praying for the local community and local services; our country; our world; current news topics; Hope Corner, it's staff members and the activities taking place there. We also pray for the local churches in Barnet (CTfCB) and also for each other and our families and friends.

We meet at Hope Corner every Wednesday at 1:00pm for an hour or so, and every one is welcome to join us even if they have little or no faith.

## **Monthly Saturday Prayer Group**

We have continued to hold a prayer meeting on Zoom on the first Saturday of each calendar month which has been attended by a core group of about 6 people. While we are aware of the fact that this time (9am) is not easy for some churches, and we would also like to change back to meeting in person, with breakfast, we are also conscious that this will need a small team to organise it, and our Office-holder team is stretched at the moment.

## **Barnet and Southgate College Chaplaincy**

Following two years meeting on Zoom, we resumed in person Chaplaincy in the Autumn term of last year. We remain a small but faithful group, and it is great that we are able to gather in the college and ground that place in prayer.

With no Freshers Fair and limits on how we can publish our presence, it has been difficult to reach new members, but we keep on meeting, not only to serve and support those who attend, but to keep a presence established for the future. Hopefully September will bring new chances to reach new people!

Fantastically Vania and Dominic have joined the team, so we are able to offer a truly ecumenical chaplaincy that reflects the different churches of CTfCB.

Please do continue to pray for our ministry and for the college, as it faces the pressures of economic cuts.
