The Programme

PART 1

Monday 28th February – Friday 18th March 2022
10am – 3pm

3 WEEKS OF WORK-FOCUSED TRAINING

15 days of work-focused training, delivered by Women into Construction & West London College with a group of 20 women, seeking to find out about the exciting job opportunities in construction.

Our training will:

- Boost your confidence and motivation in a supportive environment.
- Explore the barriers faced by women in returning to work, highlight the assistance available – including information on childcare, benefits and tax credits.
- Be work focused with expert advice and information on CV writing, interview skills, applying for jobs and planning for work.
- Include five days of construction related training leading to a L1H&S qualification and completion of a CSCS test – a requirement for anyone seeking to work within construction.

PART 3

NEXT STEPS DAY

A chance to tell us what you would like to do next so we can help you further.

PART 4

FOUR WEEKS POST PLACEMENT SUPPORT

We will continue to work with you to help you find employment once the programme is complete.

FINDING WORK IN CONSTRUCTION

Upon completion, 50–70% of participants have successfully found permanent employment, based on previous programmes.

PART 2

Monday 21st March – Friday 1st April 2022
SITE VISIT and TWO WEEKS' WORK EXPERIENCE

The two week work placement follows the training and is five days a week and incorporates a group site visit. Term time only.

What will you do? We will assign you to a work placement as close as possible to your area of interest. You will work to a bespoke programme, gaining valuable experience with the potential of progression into paid work.

- You will be allocated a personal supervisor from within the company, providing the work placement as well as a mentor from Women Into Construction.
