## Job Description

We are currently looking for motivated and reliable Bricklaying Apprentice's to join our team. This is a great opportunity to learn a skilled trade while gaining real life site experience.

Responsibilities Include:

- Assisting qualified bricklayers with daily tasks on construction sites
- Mixing mortar and preparing materials
- Laying bricks, blocks, and other types of building components
- Measuring and cutting materials accurately
- Keeping tools and workspaces clean and safe
- Following site health and safety regulations
- Learning to read basic construction drawings and plans

What We Offer:

- Full training and support towards completing a recognised NVQ L2 Trowel Occupation qualification
- Competitive pay
- Opportunity for long-term employment
- Friendly and supportive team environment

## Person Specification

Requirements:

- Strong work ethic with a willingness to learn and take instruction
- Ability to work as part of a team
- Reliability and punctuality
- Ability to work outdoors in all weather conditions
- CSCS card preferable (assistance applying can be provided)
- Awareness of health and safety practices
- No experience required, but an interest in the construction industry is preferred
